My thanks go to the timekeepers Betty and George, to the committee and Daz the steward of Byram Park Social Club for making us so welcome and all the Wheelers for pushing off, clerking and marshalling. The course demands a lot of marshals, but at least it's safe.

To the riders, thank you for your support and for the riders unable to start, thank you for making the effort to apologise prior to the event.

To Dan at Cycle Technology, Unit 2 Calder Vale Road, Wakefield WF1 5PE, thanks for the vouchers for all junior riders.

We look forward to seeing you at our hillclimb in October.

Next year we hope to run our usual 10, 25 and 50 mile time trials, so if hillclimbs are not for you we look forward to seeing you next year
